Co-founders of HKExcel interviewed by RTHK

Co-founders of giving a speech at an IB School about academic success

Our Co-founders were interviewed by Singtao Newspaper

Our Co-founders were guest speakers at the JCI Harbour Entrepreneurship conference

HKExcel's success is widely recognized by schools, the media and NGO's in HK

About HKExcel- IB Specialist

- The first education centre in Hong Kong to focus only on the IBDP Programme
- The most popular IB tutoring centre in Hong Kong with over 600 students (Around 4000 students take the IB in Hong Kong)

Our past successes

- Our students achieved an **average score of 39.1** (World average~28)
- Our students improved by an average of 1.98 level per subject according to 2015 IB Final exams
- We have helped over 600 IB students last year to achieve **unprecedented improvements** (click "Student Miracles" at www.hkexcel.org to find out more)

Our Summer Course Offer

- All summer courses use an exam-based approach to prepare students for the rigorous IB Diploma
- All lessons will be taught by IB Experts who have at least 3 years experience with the IB Diploma
- FREE trial offered for the first lesson in the course

Our co-founders were interviewed by 100Mo, the most popular youth Magazine in Hong Kong
